On the Lighter side

An inexperienced preacher was to hold a graveside burial service at a pauper's cemetery for an indigent man with no family or friends. Not knowing where the cemetery was, he made several wrong turns and got lost. When he eventually arrived an hour late, the hearse was nowhere in sight, the backhoe was next to the open hole, and the workmen were sitting under a tree eating lunch.

The diligent young pastor went to the open grave and found the vault lid already in place. Feeling guilty because of his tardiness, he preached an impassioned and lengthy service, sending the deceased to the great beyond in style.

As he returned to his car, he overheard one of the workman say to the other, "I've been putting in septic tanks for twenty years and I ain't never seen anything like that."

Freewill Offering for Pastor Haberstock

As you might have heard, former Emmanuel Lutheran Pastor Rev. Cliff Haberstock is declining in his health. His son David Haberstock and family have relocated to Edmonton to help provide home care. We are going to do a "pass the hat" cash gathering for them today after church. This is not part of the regular offering but an extra to help encourage and support them during this difficult time. The funds will be used for "**Skip the Dishes**" style meals they can use together as a family and to let them know their church family cares. Thanks for your help and please keep them in your prayers.
